*Currently Horsham Hockey Club are in a transition period of bringing all our Colts age categories in line with England Hockey, which means there will be some flexibility for children with training sessions – if you are not sure which session is best for your child please speak to either your child's manager or Jo Humphreys, Colts co-ordinator. Below is a list of all managers for this season and more information on England Hockey Age Clarification.*

## **Age Categories Explained**

England Hockey have introduced an age group system based on the year a child is born in, rather than the traditional school year based age groups. For each birth year, children born on or after 1<sup>st</sup> Jan will fall into a particular age group.

For example, next season, any child born between 1<sup>st</sup> Jan and 31<sup>st</sup> Dec 1996 will be an U14, and will include children in Year 9 who have birthdays in the Spring and Summer term of 1996, as well as some Year 8's whose birthdays fall in the Autumn term of 1996.

Most tournaments next season take place for the even number of age groups, U8, 10, 12, 14, 16 & U18, so many children from uneven age group will generally be playing in the age group above. There will be some friendly matches and tournaments arranged for uneven age groups as well.

For training sessions we realise that the division needs to be less formal, partly based on England Hockey age group, but also based on ability and school year so children can play with their school friends/peer group.

### **New To Hockey?**

Your child is allowed Two Free training Sessions before they need to pay the weekly Sunday Training Fees – Just complete and bring along the attached **Membership Form** for their first training session. Membership Fees need to be paid within 6 weeks of their first training session.

### **Where is Training?**

Sunday Training is held on the Astro at Broadbridge Heath Leisure Centre, (Tanbridge School Astro) which, as you look towards Tesco it is over the bridge on the right of the Car Park. Please park in the Indoor Bowls Centre Car Park which is next to the Tesco car park.

### **What will my child need to bring with them?**

Any of the Coaches will be able to advise on suitable equipment, but to get you started....

- Shoes must be either trainers or astro-turf boots/trainers.
- All Colts must have shin pads and gum shields/guards which must be worn for all training and matches.
- We have a limited number of Hockey Sticks available for use on a Sunday, if your child is going to want to play in matches/tournaments they will need to provide their own hockey stick.
- Warm clothes and waterproof coats depending on the weather conditions (named is possible).
- A drinks bottle.

## Colts Photographer

Clare Turnbull is happy to take team and/or individual action photos of all the colts' age groups and adult teams next season to accompany match reports for the local paper /go on the hockey club web site. Prints will also be available for parents and players to purchase, with any profit to be shared with the club. As there are now so many teams playing at Horsham, it would be helpful if individuals/team captains or managers to let Clare know in advance of any matches they would like to be covered.

Prices for prints will be £3 for a 7 x 5 print with 50p per print to the club, £5 9 x 6 size with £1 to the club. Other sizes are available on request.

For more information, Clare can be contacted at [clareturnbull@gmail.com](mailto:clareturnbull@gmail.com) or Tel: 01403 210071. Photographs can be viewed at [www.clareturnbull.co.uk](http://www.clareturnbull.co.uk)

## What is Development Hockey?

Development hockey is aimed at secondary school children (years 7 and above). Games take place most Saturdays on a competitive league basis. The purpose of the league is to provide regular hockey and to help children make the transition from junior to adult hockey. Each team is allowed to play up to two adults who are called 'enablers'. Their role is to help provide structure to the game and encourage good habits. In other words, they are on field coaches. Match fees are required for these matches, and teas are provided for the team at the home side's clubhouse.

The Boys Development Team '**Hotshots**' finished 5th in a league of 16 teams in 2008/09, and is run by **Nick Kimberley**, who says *"When selecting the team, priority will be given to players based on age and ability. Our aim is for all players to be fully equipped to play adult hockey by age 16. Having said that we will also try and blood younger or newer players as games allow. We hope to be one of the stronger teams this year, so there should be plenty of opportunity for all"*.

The Girls Development Team '**Hotstars**' is currently run by **Jo Humphreys**, who says *"Girls that are in Year 7 or above, beginner or experienced, are all welcome and become involved with **Hotstars**; the aim being to improve both confidence and experience of the players. This season, the ladies section are running 7 teams on a Saturday so there are lots of opportunities for girls wishing to play Saturday hockey and progress through the teams"* Jo is looking for a willing parent to help with the running of this team – so if there are any parents that are interested please speak to Jo.
