HOCKEY FACTSHEET 13

HOCKEY RULES OK!

SO WHAT IS HOCKEY RULES OK?

- There are three excellent **magazines**. They are informative, fun and refreshingly different. A sample copy of one of the magazines is enclosed.

When you order your HOCKEY RULES OK! Pack, you will receive a master copy of each of the magazines (Book One, Two and Three). The magazines are to be photocopied according to your requirements.

Most participating schools and clubs issue all of their hockey players with a personal copy of **HOCKEY RULES OK!** as a key part of their hockey programme / hockey club activity. The young players complete each magazine and mark it themselves (the answers are recorded in the back of each magazine). Upon completion of each magazine, you give them the next (i.e. Book 2 and Book 3). When all three are completed and are correct, the HROK! Certificate can be awarded. Some schools / clubs do this immediately the young player makes the request; others prefer to wait until the end of the term / Season and present it at a more special occasion.

- A series of 14 brightly coloured A4 **teaching cards**. The cards are green, yellow and red and are ideal for the department / club-house notice board or alternatively, they can be used as part of a classroom project (i.e. as a teaching aid).
- 16 copies of the **HOCKEY RULES OK! CERTIFICATE**. Further copies of the certificate are available from England Hockey. They will be sent to you free of charge within 15 days of you placing an extra copies order.

WHAT DOES IT COST?

The purchase price for the complete package is **£20.00** (inclusive of postage and packing). For this small investment **every** hockey playing student in your school / club can benefit.

They can learn the Rules, they can better understand the game, they can better understand the role of the umpires and most importantly, they can take more pleasure from their hockey.
